

## SEVEN PRINCIPLES TO YOUR MINISTRY BECOME A FIVE-STAR CHURCH

- **Principle # 6** – Invest time and money to teach, train and retrain people to develop their skills and to implement quality ministry methods
- **Action** – A significant amount of your annual budget should go back into development your people, especially your leaders. The greatest asset of any congregation is its people. Training enhances that asset. As your people are trained, retrained and developed, this will greatly improved the quality of your church. Just because a person has an interest or passion in a given area, doesn't qualify him/her to provide quality ministry in that area. Trained staff members are: (1) more effective, (2) more fulfilled, (3) less transient, (4) attract quality associates and members, (5) raise the quality quotient, (6) more productive, (7) better equipped to help other staff members
