

**GENERAL INTERCESSIONS/PRAYER OF THE FAITHFUL/  
UNIVERSAL PRAYER  
8 December, SOLEMNITY of the IMMACULATE  
CONCEPTION OF THE BLESSED VIRGIN MARY**

**A**

**Today we rejoice that God filled the heart and soul of Mary with grace from the first moment of her existence, preparing her to be the mother of His Son, Jesus Christ.**

**Lord, graciously hear us.**

**For the whole Church, keeping this festival of Mary's Immaculate Conception, which is a sign of our own vocation to holiness, that we may gratefully cooperate with our grace like Mary did. Lord, hear us.**

**May Christians find in the grace and holiness of Mary a sign of hope as they seek to be faithful to her Son, Jesus Christ. Lord, hear us.**

**That Mary, Queen of Peace, may hear the anguished prayer for peace that rise from the hearts of her suffering children especially those who are trapped in the horror of war in so many places that hope is rekindled in their hearts, and intercede with her Divine Son for conversion of hearts that brings true peace. Lord, hear us.**

**May those nations across the world which honor Mary under the title of her Immaculate Conception as heavenly patroness: the United States of America, Spain, Inner Mongolia, Tanzania, Zaire, Equatorial Guinea especially our country, the Philippines may be people committed to peace and justice and that we may foster a culture of life and civilization of strong morality before our God. Lord, hear us.**

Devoting Ourselves to the Prayers Mark Stamm, 2015-08-01 Dr Stamm integrates the biblical theological and pastoral insight fitting of a liturgical scholar pastor as he attempts to improve and deepen the church's congregational practice of intercessory prayer In Devoting Ourselves to the Prayers A Baptismal Theology for the Church's Intercessory Work Dr Stamm points to the strong biblical and historical connections between baptism and intercessory prayer suggesting that intercessory prayer is a vocation a calling rooted in our common baptism Imaginative informative and deeply committed to the idea that prayer is an essential practice of the church this book not only addresses what has become the church's neglect of intercessory prayer but the difference such praying makes T&T Clark Handbook of Sacraments and Sacramentality Martha Moore-Keish, James Farwell, 2022-12-29 Introducing readers to the contemporary field of sacramental theology this volume covers the biblical and historical foundations a survey of the state of the discipline and a collection of constructive essays representing major themes practices and approaches to sacraments and sacramentality in the contemporary world The volume starts with a set of foundational essays that offer broad introduction to the field of sacramental theology from contemporary scholars analysing a number of historical figures in order to illumine and inform contemporary sacramental theology The second part of the volume is dedicated to a series of essays on sacramentality and includes attention to elements of space time ritual action music and word all as aspects of what Christians have termed sacramental reality The third set of essays includes attention to each of the seven practices that have most commonly been termed sacraments in Christian traditions baptism eucharist Lord's Supper confirmation confession forgiveness and reconciliation marriage ordination and anointing The final part of this volume features scholars who are working on sacraments in conversation with contemporary academic disciplines critical race theory queer theory comparative theology and disability studies

Protestant Nonconformity and Christian Missions Martin Wellings, 2014-02-01 The aim of the book is to explore some of the contributions made by Protestant Nonconformity to Christian missions The occasion of the conference which gave rise to the volume was the centenary of the Edinburgh Missionary Conference of 1910 but the topics treated here deliberately range more widely covering missions in Britain and the wider world from the eighteenth to the twentieth century

Morrill, 2021-09-09

What motivates practice of the liturgy and sacramental rites of the church Does the worship of God begin and end within each ritual enactment or does the truth and value of sacramental celebration reside in the broader context of Christian life in church and society For more than two decades prominent Jesuit sacramental liturgical theologian Bruce Morrill has explored the promise and problems inherent in the Second Vatican Council's call to renew liturgy's basic purpose namely the

glorification of God and the sanctification of people Morrill's fundamental argument is that this ancient Christian principle is of a piece that divine glory and human holiness are so to speak two sides of a single coin The value of liturgy and sacraments is depleted if not lost unless they function within a holistic practice of faith that seeks the upbuilding of ethical lives personal and social With numerous real life examples plus references to current sociological studies the chapters address both modern challenges to and biblical and traditional resources for the celebration of sacramental rites today **Preparing Parish**
