July 2013 Watchtower Study Guide:

The Jubilee Herald: Volume 1 (paperback) Nathan Harding, Fundamentals of Management with Online Study Tools 12 Months Danny Samson, Richard L. Daft, Timothy Donnet, 2017-12-05 Samson Daft Donnet's *Fundamentals of Management* is a robust foundation text providing a balance of broad theoretical content with accessible language for students. This sixth edition features a new author on the team and contains updates to content based on recent research. Along with current management theory and practice, the text integrates coverage of innovation, entrepreneurship, agile workplaces, social media, and new technology throughout. The book is rich with experiential exercises, self-assessment activities, challenges, and cases for students to engage with, developing multiple skills. Examples within the text are both local and global, with a new focus on a skills approach, and each part of the text concludes with a contemporary, continuing case study focussing on car company Toyota as it faces managerial challenges and opportunities in the region. The text covers the four key management functions: Planning, Organising, Leading, and Controlling, conveying to students the elements of a manager's working day.

Cult Shock Mark Stengler, 2017-07-04 Two Christian Bible scholars outline arguments anyone can use to counter and evangelize to Jehovah's Witnesses and Mormons when they come knocking. *Cult Shock* is an easy-to-follow resource of Christian apologetics that teaches you how to defend your Christian faith against the claims of Jehovah's Witness and Mormon missionaries. Mark Stengler Jr and Mark Stengler Sr, a father and son team of Christian scholars, explain the beliefs of these groups and demonstrate through scripture and logic how Biblical Christianity refutes their worldview. Readers will gain confidence witnessing to these groups based on the Stengler's recommended engagement techniques from their years of experience. *Cult Shock* provides all the tools you need to proclaim the real Jesus with fearless confidence.

Jehovah's Witnesses and the Secular World Zoe Knox, 2018-01-29 This book examines the historic tensions between Jehovah's Witnesses and government authorities, civic organisations, established churches, and the broader public. Witnesses originated in the 1870s as small, loose-knit groups calling themselves Bible Students. Today there are some eight million Witnesses worldwide, all actively engaged in evangelism under the direction of the Watch Tower Society. The author analyses issues that have brought them global visibility and even notoriety, including political neutrality, public ministry, blood transfusion, and anti-ecumenism. It also explores anti-Witness discourse from media portrayals of the community as marginal and exotic to the anti-cult movement. Focusing on varied historical, ideological, and national contexts, the book argues that Witnesses have had a defining influence on conceptions of religious tolerance in the modern world.

Minority Religions and Religious Tolerance Zoe Knox, Emily B. Baran, 2025-09-04 Reveals how the treatment of Jehovah's Witnesses is a critical gauge for measuring the level of religious toleration and freedom in any given society.
