Erotic English Edition:

A Study of Erotic Literature in England W. v. Murat, 2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications *The Marquis de Sade* Paris 1927 and *Retif de la Bretonne* London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation *Erotica Pompeiana* Antonio Varone, 2002 The modern visitor who approaches Pompeii two thousand years later coming not only from another region but from quite another world can still sense the subtle magic of love that emanates from the wall paintings of the houses from the bas reliefs along the streets from the graffiti scribbled on the walls of the buildings among which he wanders Introduction *A History of Erotic Literature* Patrick J. Kearney, 1982 *Erotica* Gaius Valerius Catullus, 1887 **Erotic Literature** Donald McCormick, 1992 This essential sourcebook is the first guide to all literature covering erotic but not pornographic or scatological themes prose and poetry ancient and modern published and unpublished which deserve to be called classics From Ovid to Erica Jong this collection shows how eroticism the joyfully erotic crops up in a multitude of ways throughout world history and literature Includes a glossary of erotic terms and a useful bibliography **Catalogue of the Library at Broomhill, Tunbridge Wells** Sir David Salomons, 1903 *Suppression of the Erotic in Modern Hebrew Literature* Nitsa Ben-Ari, 2006-03-17 Issues of sexuality censorship and self censorship in the formation of national and cultural identities are a focus of great interest in contemporary literary research This is the first work of its kind to study these combined issues in the context of translated and original Hebrew literature Published in English *Poetica Erotica* Thomas Robert Smith, 1927 *The Erotic in Literature* David Loth, 1994 **Erotica** Steve Lando, 2017-02-15 Erotic poetry **Dictionary of Erotic Artists** Eugene C. Burt, 2010-06-07 This alphabetically arranged dictionary of artists known to have produced works depicting sexual imagery profiles the artists from ancient times to the present Each entry offers biographical information including the artist s name and any variants birth and death dates geographic focus a description of the artist s media training and the nature of their artistic output Provided by publisher *The Eugenics Review* , 1925 **Erotic Literature** Jane Mills, 1995-05 **Sexual**

Ethics Robert Michels,1914 **The Golden Age of Erotica** Bernhardt J. Hurwood,1965 Covers 17th through 19th centuries **Erotica and the Enlightenment** Peter Wagner,1991 The essays in this collection focus on the relations between erotic discourse and ideologies or mentalit s in the Enlightenment Although the contributors literary historians historians and art historians differ in approach and methodology their common ground is the analysis of various genres of Enlightenment discourse on sex There is a particular stress on popular writings sex guides obscene satire graphic erotica which have been neglected by literary historians as well as on the iconographic discourse in works of art Approaching eighteenth century culture on such a broad basis the essays try to retrieve parts of a lost world i e the complicated relations between the literary and popular discourse on the one hand and on the other hand the ideologies and mentalit s contained in or opposed to this discourse The contributions thus shed light on important aspects of an age which determined the modern period *The Library & Art Collection of Henry de Pene Du Bois, of New York. B* Henri Pène du Bois,1887 **Libraries, Erotica, & Pornography** Martha Cornog,1991 Libraries Erotica and Pornography features 17 essays that share the experiences and insights of working librarians researchers in human sexuality a public library administrator and library educators as well as a leading authority on erotic literature and a popular novelist The book provides an examination of how some libraries are presently dealing with the issue as well as valuable perspective on past consorship conflicts The work includes extensive references for the essays an annotated listing of works on sexuality an annotated list of modern erotica an annotated guide to video tapes and a subject index **Greek and Roman Erotica** David Mountfield,1982 **Erotic Symbolism** Havelock Ellis,1905
