Israel Channel 2 Program Guide:

Scene, Channel 2 and 17, 1981 **The Middle East** Barry Rubin, 2015-03-17 The Middle East is an area of great importance globally yet misperceptions abound Events have made it a region of special interest to the West and so the search for understanding gains momentum This publication is intended to clarify the region s complex history and issues In developing this project the contributors set out to explore seven significant themes that are usually not found in other sources While many books focus on political history and conflicts this two volume work deals specifically with culture religion women economics governance and media as well as the role that the region s modern history has played in shaping its society and worldview *Muting Israeli Democracy* Amit M. Schejter, 2010-10-01 The result of years of critical analysis of Israeli media law this book argues that the laws governing Israeli electronic media are structured to limit the boundaries of public discourse Amit M Schejter posits the theory of a mute democracy one in which the media are designed to provide a platform for some voices to be heard over others While Israel s institutions may be democratic and while the effect of these policies may be limited this book contends that free speech in Israel is institutionally muted to ensure the continued domination of the Jewish majority and its preferred interpretation of what Israel means as a Jewish democratic state Analyzing a wide range of legal documents recorded in Israel from 1961 to 2007 *Muting Israeli Democracy* demonstrates in scrupulous detail how law and policy are used to promote the hegemonic national culture through the constraints and obligations set on electronic media **Official Gazette of the United States Patent and Trademark Office** United States. Patent and Trademark Office, 2000 **Israel Handbook** , 1999 [Israel Handbook](#) Dave Winter, 1999 Israel has a range and diversity of attractions Over 6000 years of history and archaeology is packaged and presented at a variety of sites This guidebook has up to date practical information for all visitors from back packers to pilgrims and includes historical details and cultural and background information All Israel s attractions are covered from diving in the Red Sea to skiing on Mount Hermon **TV Guide** , 2005-10 **Frommer's Israel** Robert Ullian, 2000-06-15 You ll never fall into the tourist traps when you travel with Frommer s It s like having a friend show you around taking you to the places locals like best Our expert authors have already gone everywhere you might go they ve done the legwork for you and they re not afraid to tell it like it is saving you time and money No other series offers candid reviews of so many hotels and restaurants in all price ranges Every Frommer s Travel Guide is up to date with exact prices for everything dozens of color maps and exciting coverage of sports shopping and nightlife You d be lost without us Israel is an endlessly fascinating destination a crossroads for different cultures and religions and Frommer s Israel is an invaluable guide to this intriguing and complex land It s written by an expert author who provides you with sensitive and authoritative coverage of the region s historic and religious sites and offers valuable insights into its culture With Frommer s in hand you ll explore the ancient and holy sites of Jerusalem the silent majesty of the desert the beach resorts of Tel Aviv and much more We ll also show you how to have a
