

Corset Workshop

As you become more confident in your sewing skills, you can make the corset using just the one piece of fabric. The skirt has been made with a separate piece of fabric and is not included in the pattern. The skirt is made to be gathered at the top and to have a long, full skirt.

We took the paper pattern, and then we made up the bodice and skirt. We used the pattern to make the bodice and then attached the skirt. Adding boning to the bodice helps to support the bust and give it shape. I used boning to get the corset to fit and to help the bodice to support the bust.

Some tutorials will have you use a lot of paper in the bodice and skirt. But a better way to make your corset is to use a lot of paper in the bodice and skirt.
