the recording summarizing and indexing of astronomical publications throughout the world It is prepared under the auspices
of the International Astronomical Union according to a resolution adopted at the 14th General Assembly in 1970 Astronomy
and Astrophysics Abstracts aims to present a comprehensive documenta tion of literature in all fields of astronomy and
astrophysics Every effort will be made to ensure that the average time interval between the date of receipt of the original
literature and publication of the abstracts will not exceed eight months This time interval is near to that achieved by monthly
abstracting journals compared to which our system of accumu lating abstracts for about six months offers the advantage of
greater convenience for the user Volume 32 contains literature published in 1982 and received before February 11 1983
some older literature which was received late and which is not recorded in earlier volumes is also included We acknowledge
with thanks contributions to this volume by Dr J Bou a Prague who surveyed journals and publications in Czech and supplied
