Master the material and ace any assignment with this innovative study guide series. This book is perfect for both students and teachers as it produces true mastery of content knowledge and book details. Other study guides simply give basic details of the novel meaning that students read over material without digesting or learning it. Other study guides take complex themes, concepts and information and just regurgitate it to readers. This Study Guide series is different. Using the original text as a guide, you will learn to cite evidence from the text in order to complete and reflect on your reading. Designed under the guidance of an experienced and credentialed instructor, this study guide series GUIDES the learner to discovering the answers for themselves, creating a fully detailed study guide in the user's own words. Filled with guided reading activities, students are able to fill this guidebook with their own information. If you read it, write it, and reflect on it, you will learn it. Teachers, you can also purchase a set of these books or one book and make copies for your entire class. It makes the perfect guided reading activity and will teach students how to internalize the reading, note taking, and learning process that advanced readers naturally perform. These make the perfect workbook to keep your class engaged and learning. **Jane Eyre Study Guide CD-ROM** 413cd, 2011-03-16. Jane Eyre is the story of a mistreated orphan who learns to rise above her adversities by relying on God's grace and the intelligent and independent spirit He has given her. The path of Jane's life is lined with temptations and difficulties, her desires war with her conscience, and her faith is sorely tested. But though Jane suffers, she is not broken. She learns and grows, and she rises above life's storm. Jane's first ten years are unhappy ones. She is raised in the home of her aunt, where she is unloved and despised. After a passionate outcry against her condition, Jane is sent to a charitable institution where she lives for the next eight years. She moves up through the classes and eventually becomes a teacher. At 18, Jane's desire for expansion calls her to move on. Jane finds a position as governess at Thornfield Hall, where her employer takes a lively interest in her. Jane's vigor and purity answer some yearning of his soul. Just when it seems that bliss is within Jane's reach, a dark secret is uncovered that causes her to flee from the one that is precious to her. It seems Jane is doomed to be forever separated from her love, but after a year of suffering, God's providence and a familiar voice call her to return to the one she loves. **Interactive CD rom Jane Eyre -- A Study Guide** Francis Gilbert, 2015-11-06.
