Throughout your life you will have many experiences that will change you forever. While some of them are small, some experiences are so great that you will never forget the exact date and time they occurred. The most life-shaping experience I have ever had was the birth of my son. This event changed my life. I love my son dearly and his birth will always be the best thing that has ever taken place in my life. After my son was born, a lot of things changed for me. I kept my pregnancy a secret until I could decide what I would do with myself. A month passed and school began. I also began working afterschool. With all my school work and responsibilities after school I was distracted from my dire problems. To my surprise one day I had received my monthly menstrual cycle which as everyone knows does not happen while you are pregnant. At my young age I was very confused. I had thought that I had miscarried. I was sad and content. Although the life within me had died, I no longer had to worry about what would become of us. My dreams and aspirations wouldn't have to be put on hold. I didn't have to tell my parents the heart scattering news that their 15 year old daughter had gotten pregnant. Months passed and my sixteenth birthday approached. At night as I slept I felt uneasy stomach pains and at first I ignored...
