What Every Principal Needs to Know to Create Equitable and Excellent Schools George Theoharis, Jeffrey S. Brooks, 2015-04-25 School leaders who succeed at creating a high achieving learning community must also be committed to creating an equitable environment for all students In this new book key scholars across the content areas show how to put into practice a commitment to equity and excellence across the Pre K12 spectrum Readers learn directly from experts in each of the content domains literacy mathematics science social studies music early childhood special education English language learners world languages and physical education how a commitment to social justice and equity can be grounded in core subject areas why each has a place in the school and what they need to know and do in each subject area This book is a critical instructional leadership resource for new and veteran principals who want to see all students succeed Contributors Antonio J Castro Julie Causton Theoharis Virginia Collier Katherine Delaney Catherine Ennis Virginia Goatley Beth Graue Rochelle Gutierrez Kathleen A Hinchman Anne Karabon Christi Kasa Dave McAlpine Mitchell Robinson Victor Sampson Sherry A Southerland and Wayne Thomas Step Ahead 2 Textbook (Special/Express/NA) , **Real Estate Record and Builders' Guide** ,1901 **Artificial Intelligence and Human Agency in Education: Volume One** Michael Agyemang Adarkwah, Samuel Amponsah, Ronghuai Huang, Michael Thomas, 2025-10-01 This book investigates how artificial intelligence AI will impact the educational cognitive social and psychological processes of teaching and learning in diverse ways across different educational levels It focuses on a variety of key areas of enquiry such as Learner motivation engagement self esteem self efficacy self regulation critical and reflective thinking and learning outcomes The psychological impact of AI on teachers e g changes in job roles professional identity work motivation job satisfaction and work life balance The ethical considerations of using AI in education e g issues of privacy bias and safety Emotional intelligence in AI based teaching and learning The impact of human computer interaction on cognition memory and mental health Cognitive and self directed learning in adult lifelong and inclusive education Humanization of AI in education Technology fatigue and technostress in education This book serves as a reference for various stakeholders in the field of education and assists them in understanding the impact of AI on both teachers and learners Readers who wish to learn more about this topic can refer to **Artificial Intelligence and Human Agency in Education Volume Two** **Interviewing** Kathryn Roulston, 2021-09-15 Connecting theory and method can be challenging for novice researchers **Interviewing A Guide to Theory and Practice** draws from and extends the author s earlier 2010 book and focuses on three interrelated issues how researchers theorize research interviews examine their subject positions in relation to projects and participants and explore the details of interview interaction to inform practice AI and Popular Culture Lee Barron, 2023-04-03 **AI and Popular Culture** sheds light on how artificial intelligence has changed our world and helps you to understand where it might take us next **Educational Life-Forms** David R. Cole, 2012-01-01 This book takes the philosophy of Gilles Deleuze and applies it to educational practice

To understand how and why to do this David R Cole puts forward the notion of educational life forms in this writing which are moving concepts based on Deleuzian principles This book turns on and through the construction of the philosophy of life in education The life forms that will come about due to the philosophy of life in education rest on epiphanies the virtual and affect The author looks to infuse educational practice with the philosophy of life though not through simple affirmation or a construction of counter metaphysics to representation in education This book uses Deleuze for practical purposes and sets out to help teachers and students to think otherwise about the current praxis of education With this book Educational Life Forms which is an examination of the significance of the philosophy of Gilles Deleuze for education David R Cole proves himself to be one of the very small number of philosophers of education who has provided intelligent commentary of Deleuze s difficult corpus Cole keenly appreciates the conceptual creativity of Deleuze especially in relation to the concepts of life forms and body without organs and effectively demonstrates its practical implications for education Michael A Peters Professor Educational Policy Studies University of Illinois at Urbana Champaign David R Cole s Educational Life Forms Deleuzian Teaching and Learning Practice is a profound speculative work that offers both new ways of thinking about the philosophy of Gilles Deleuze as a practical thinker with ideas that can be applied at the coal face as it were and new ways of thinking about teaching and learning It engages with actual policy debates as they are played out in the complex reality of the classroom situation and brings to them a fresh perspective developed through a close reading of Deleuze This is an exciting new work which will berewarding reading for both Deleuzians and non Deleuzians and is sure to win converts amongst the latter Ian Buchanan Editor Deleuze Studies Professor of Critical Studies Dean of research in the Arts and Social Sciences University of Woolongong In this thoughtful and engaging book David R Cole has given us an answer to the important question of how Deleuze s philosophy enters into the practice of education Cole situates this philosophy within existing debates around teaching and learning not only through a very lucid account of Deleuze s work and current theory but also through highly effective and often moving examples of practice This book is essential reading for anyone interested in Deleuze and education James Williams Professor of European Philosophy University of Dundee

When studying Mary Shelley's *Frankenstein* at A Level AS/A2 level you will need a thorough understanding of the themes, characters and Gothic mode of writing you will find used in the novel. The York Notes *Frankenstein* study guide gives the most comprehensive summary of each volume of the 1831 edition of the novel you are studying at AS/A2 level. The revision guide also deconstructs each character including Victor Frankenstein, the monster and Robert Walton. The York Notes *Frankenstein* revision guide goes further than other English Literature study guides to help you achieve the best possible grades. You will not only revise the novel itself but the contexts and critical debates surrounding Shelley's work. Understanding *Frankenstein* in the context of social unrest and the scientific developments of the time and being able to discuss different critical angles from the original reception of the novel to its Feminist readings will help you achieve top A Level grades. Using your study guide's Grade Booster is the best way to target a high grade in your English Literature exams. This section of the *Frankenstein* study guide shows you the typical features which examiners are looking for in answers to *Frankenstein* questions at AS/A2 level. It will show you how to compare *Frankenstein* with other texts and write high quality responses which clearly demonstrate your understanding of the novel beyond the plot, characters and key quotations.
