

LOVE MAPPING EXERCISE

The Love Mapping exercise is a key component of the Gottman Method, designed to enhance emotional intimacy and connection between partners. It involves creating a detailed mental map of each other's lives, including personal histories, dreams, and preferences. This exercise promotes understanding and fosters a strong foundation for the relationship.

Step 1: Set the Stage

- **Choose a Comfortable Setting:** Find a quiet, comfortable space where you can talk without distractions. This could be at home, during a walk, or at a cozy café.
- **Allocate Enough Time:** Set aside at least 30–60 minutes for this exercise to allow for open conversation and exploration.

Step 2: Explain the Purpose

- **Discuss the Importance of Love Maps:** Explain that Love Mapping is about deepening your understanding of each other's inner worlds. It helps you stay connected and aware of each other's needs, desires, and experiences.

Step 3: Take Turns Asking Questions

Each partner will take turns answering questions. Begin with one partner asking questions and then switch roles. Try to make the conversation flow naturally, and feel free to ask follow-up questions based on the answers provided.
