**The Johns Hopkins Guide to Literary Theory and Criticism** Michael Groden, Martin Kreiswirth, 1994 Contains over 200 alphabetically arranged entries on the major terms movements and critics associated with the field of literary theory and criticism *Purposes of Art: A Problem Book* Albert E. Elsen, 1962 [Handbook of New Religions and Cultural Production](#)

,2012-03-28 The cultural products of new religions and spiritualities are frequently ignored or dismissed within academia often stemming from a hesitation to acknowledge these movements as genuine This volume explores the impact of new religions upon cultural production exemplifying the theological and spiritual principles of particular movements and demonstrating their substantial impact on wider society Contributions explore the realms of music architecture food art books films video games and more This scholarship will be of interest to those who wish to explore the gamut of modern religious expression and those who wish to broaden their knowledge of the spiritual origins of human culture **Greek Oratory** Stephen Usher, 1999-07-01 Speakers address audiences in the earliest Greek literature but oratory became a distinct genre in the late fifth century and reached its maturity in the fourth This book traces the development of its techniques by examining the contribution made by each orator Dr Usher makes the speeches come alive for the reader through an in depth analysis of the problems of composition and the likely responses of contemporary audiences His study differs from previous books in its recognition of the richness of the early tradition which made innovation difficult however the orators are revealed as men of remarkable talent versatility and resource Antiphon s pioneering role Lysias achievement of balance between the parts of the speech the establishment of oratory as a medium of political thought by Demosthenes and Isocrates and the individual characteristics of other orators Andocides Isaeus Lycurgus Hyperides Dinarchus and Apollodorus together make a fascinating study in evolution while the illustrative texts of the orators which are translated into English include some of the liveliest and most moving passages in Greek literature **The School World**, 1911 *The Classical Review*, 1969 **Influences on Peripatetic Rhetoric** David C. Mirhady, 2007 Each paper explores the influences on different parts of Peripatetic rhetoric its discussion of character emotion reason and style its relationships with other texts including those of Theodectes and the *Rhetorica ad Alexandrum* and its relationship with the oratory of the 4th century BC

**The Lesser Good** Wendy C. Hamblet, 2009-01-16 Western civilization is founded upon the assumption that there exists a natural order to the world an embedded principle of justice with which human reason is aligned The imagery is seductive However Emil Fackenheim raises a troubling fact in his *To Mend the World* when he names the Holocaust the rupture that ruptures philosophy The Holocaust and countless other horrors over thousands of years of eager philosophical pursuit could not order the troublesome human soul to that state of justice that the Plato claims to be the most natural and happy state of human beings if they can simply know their best interests The philosopher physician to the human soul has proven impotent in healing the open ethical wound of human inhumanity worse the grand ontological and epistemological structures that

philosophers have constructed may be linked to the ethical failures of the planet to colonial and imperial worldviews The work of post Holocaust phenomenologist Emmanuel Levinas is written under the somber backdrop of the Holocaust Levinas by his own admission stages a return to Plato He shares Plato s sense of ethical urgency in the philosophical task but he sets course for a new Platonism that thinks the difference separating rather than the unity gathering being Levinas more than Plato appreciates that the exigencies and labor of everyday life can eclipse the needs of others and waylay the ethical life Levinas too holds out more hope than Plato that the worst human beings can simply forget themselves and their self interested projects and become their brothers keepers Levinas quests for the good beyond being as he challenges the tradition of Western thought and the post Holocaust world to a new ethos we must decide between the starry skies above the ordered ontologies of the Western tradition and the moral law within The Lesser Good represents a timely consideration of the ethical exigencies of human life politics and justice demonstrating that philosophy s fa
