

A Mandala is a symbol for self unity and completeness. Mandalas are used to establish spiritual guidance. It used to aid meditation, a sacred rite, and a way of developing good qualities, but self-unity is who we are as a person and how we became who we are today. Mandalas use symbols and designs to represent that. In my mandala, I choose 5 signs to express who I am as a person.

For my first symbol, I chose a pair of friends to represent friendship. Friendship to me is a way of communication, entertainment, and quality time. Friends are there to support having friends makes me who I am because I find friends that have the same interest as me. I feel like if I find people that have the same interest as me it helps me grow as a person cause not only you have friends for entertainment but having lessons to think about during that time. You learn how to accept a person and talk to a person.

Having peace in my life helps with my mental health and physical health. As a person, I don't like having stressed or overthinking anything having peace means I can self-reflect and be myself. In my opinion, I am pretty introverted. I don't like speaking unless I am spoken to. Being peaceful means I can just have a breath of fresh air. Having peace in my life makes me who I am because it represents the art of meditation and reflection.

Having my own time means I can be myself and do what I want. Having my own time and being myself in peace also makes me listen to music. I love music. Music keeps me productive and it also keeps me entertained. I like how some music and songs can make me feel happy. Music can boost my moods and it keeps going. Music is also a way to express me.

Another thing that I love and that keeps me entertained is animals. I don't have any pets of my own but I want to someday. I feel like pets and animals are nice to have some are so nice to play with and I want to be nice to them because they are so sweet. I feel like this builds my personality because I
