The *Bibliographic Guide to Education* lists recent publications cataloged during the past year by Teachers College, Columbia University, supplemented by publications in the field of education cataloged by The Research Libraries of The New York Public Library, selected on the basis of subject headings. Non-book materials, including theses, are included in this Guide, with the exception of serials. All aspects and levels of education are represented in this Guide, including such areas as American elementary and secondary education, higher and adult education, early childhood education, history and philosophy of education, applied pedagogy, international and comparative education, educational administration, education of the culturally disadvantaged and physically handicapped, nursing education, and education of minorities and women. Also well covered are the administrative reports of departments of education for various countries and for U.S. states and large cities. The Teachers College collection covers over 200 distinct educational systems. Works in all languages are included. The *Bibliographic Guide to Education* serves in part as an annual supplement to the *Dictionary Catalog of the Teachers College Library*, Columbia University, G. K.
