from God's love for us but our modern world is filled with sexual expression that too often leads us away from the life of Christ. As Christians seeking to live a life worthy of our calling and desiring to pass along these values to our children and youth, this book explores how we as parents and adults can explore issues of sexuality in the context of our faith. A sexuality education resource from a mainline progressive denominational perspective aids the adult reader, teacher, parent in learning and using skills that enable them to embrace and affirm the wholeness of sexuality and to talk openly and honestly about the connection of sexuality and faith. This book grounded from a theological perspective focuses on foundational issues for addressing how we and why we are called to have these conversations in a faithful community to support families. The importance of looking at one's sexuality throughout the lifespan through the lenses of decision making, faith, and daily life, respect, growth, and change, behavior, responsibility, values, prayer, and intentionality is explored, offering a grounding as well as a stand-alone resource for individuals and churches to build upon.

Expressing Love in Marriage Leader's Guide Dennis Rainey, 2000-11. *Dealing with Divorce Leader's Guide* Elizabeth Oates, 2009-08-30. Sadly, Christian teens are not immune to the effects of divorce. Even among Christian families, the divorce rate is more than 50 percent. The emotions and issues that are brought up after divorce can leave teens feeling lost and confused about their family and their faith. In this six-week study, you can help students deal with the thoughts and feelings they're experiencing after a divorce, whether it happened recently or when they were younger. With engaging stories and thought-provoking questions, students will explore issues of anger, guilt, forgiveness, family, and more through a biblical lens, offering them hope and healing. This leader's guide will give you the tools to help you lead students through this study, whether you have experienced divorce in your lifetime or not. You'll find that when you give students the opportunity to open up and examine the feelings involved with divorce, much-needed healing can begin in their lives.

This Leader Guide contains nine sessions for engaging high school students, ages 14-18 years, in conversation about faith and sexuality in the *These Are Our Bodies* program, helping participants and their adult parents or guardians deepen their connection between God, the Bible, and sexuality. Each session uses scripture as an integral piece of the program, using the NRSV or Common English Bible translation. Facilitators and small group leaders will find detailed planning information as well as background and useful information to employ the program in your church or community in a variety of settings: youth group, Christian education camps, or retreats. Comprised of two sections, the Introduction provides the goals of the curriculum, describes parts of each lesson, and provides all needed information for leaders to implement the program. The second section offers nine full sessions.
