Dispute Resolution in Energy Industries Mustafa Oğuz Tuna, 2022-04-03 The disputes that arise between host states and investors in the energy sector put a high number of valuable and vital projects in the countries at risk Investment treaty arbitration mechanisms as the traditional remedy have provided a solution to these problems for decades However as the number of disputes increases the sufficiency of arbitration in responding to disputes became questionable in addition to the long lasting and costly cases Accordingly ADR mechanisms outside the arbitration cannon have triggered growing interest among practitioners Despite the attraction and the apparent benefits of ADR such as being cheaper faster and with better outcomes compared to arbitration there are also hurdles in front that hinder the application of ADR This has lead to the underuse of ADR in appropriate contexts This study has been conducted to research the gap for the applicability of the ADR methods for investment disputes in the energy sector with the doctrinal analysis of the existing literature either promoting or opposing ADR Its findings provide guidance for alternative dispute resolution practitioners on when to use ADR how to use ADR and on what disputes ADR to be used to resolve conflicts in International Energy Investment **The Generalist**

Approach to Conflict Resolution Toran Hansen, 2012-12-21 This book outlines the generalist approach to conflict resolution The approach was inspired by the generalist approach to social work but has now emerged in the fields of conflict resolution and peace studies Essentially the approach considers conflict resolution practice and scholarship very broadly Generalist scholarship and practice are contrasted against specialized ways of conducting conflict resolution whereby practitioners become well versed in one mode of practice or a specific theoretical orientation to scholarship Several theories provide a foundation for this inclusive approach conflict transformation eco systemic scholarship the strengths perspective and a new theory of social conflict the theory of differences The generalist approach is intended to provide a way for conflict resolution and peace studies scholar practitioners to help diverse parties address complex conflicts at various levels personal to international Generalist scholar practitioners assist parties to comprehensively and holistically address these conflicts in a multi layered multi level fashion but they must be comfortable with ambiguity monitor intervention complexity and give parties control over how their conflicts are addressed Ultimately this may make parties more committed to their conflict interventions and outcomes Practical Radicals Deepak Bhargava, Stephanie Luce, 2023-11-07 A clear expert and inspiring guide to social change based on case studies of grassroots movements that won from two leading community and labor
