summarizes a description and possible whereabouts of a codex that illustrates a quantum leap in weapons manufacture The stolen document also indicates that the codex is concealed inside of a case made of pure gold Soon afterward he conducts a search throughout the region to unearth the artifact Inevitably the Wolfpack 2600 becomes an imminent target by discovering the very object that Mayacub has been relentlessly seeking Immediately after the Wolfpack s great discovery they strive to keep it secret yet find themselves being hunted by Mayacub who catches up with them and forcefully takes possession of the codex After finally taking possession of the artifact Mayacub s first objective is to develop futuristic technological weapons while growing his army in the process Secondly he intends to launch a series of attacks on small sovereign territories until he establishes himself as a modern day monarch Lastly he aims to generate more wealth by conducting arms deals on the black market the makings of a new era of world terrorism Surprisingly the Wolfpack s cameraman Charles has photographed each page of the codex sometime before it is taken by Mayacub s henchmen So now in an effort to stop Mayacub the Wolfpack returns to their clubhouse referred to as the Headquarters and uses the photos of the codex s instructional designs to build a defense system for the Mark 2600 fortifying its exterior to safeguard from destructive impacts of a combat situation that s likely to happen They also use the codex s instructions to develop and install new technology in its interior to counter the enemy s possible use of an EMP weapon Afterward they begin formulating strategies to stop Mayacub Later this reinforced vessel becomes a critical component in aiding the Wolfpack to recover the artifact reverse a 30 000 000 heist capture the most wanted criminal for the Mexican authorities and prevent a new era of terrorism a joyride cruise that ultimately becomes an adventure and converts these dazzling teenagers into brave heroes
