

Grade 8 Math Projects

Subject: Project-Based Assessment

Dear Students (Parents),

We are excited to announce the implementation of Project-Based Learning in coming week on (Monday-Wednesday) during lesson time. This is an educational approach where students engage in hands-on projects that foster critical thinking, collaboration, and real-world problem-solving skills. This method is designed to make learning more engaging and meaningful for students, helping them develop a deeper understanding of the subjects and related topics they study. This is the part of our curriculum and these projects will be assessed and marked with rubrics. Make sure your child should not be absent from school.

The project detail is given below;
