International Accounting/Financial Reporting Standards Guide 2009 David Alexander, Simon Archer, 2008-11

Understanding reporting standards issued by the IASB is essential for those who prepare and or interpret financial statements and are required to comply with the increasingly complex set of international accounting and financial reporting standards The International Accounting Financial Reporting Standards Guide is your survival handbook in today's global economy It keeps you up to date on the latest general and industry specific international reporting standards and the proposed changes on your immediate horizon that will most likely alter the way in which you must account for and disclose information

Understanding Financial Reporting Standards: A Non-technical Guide Roger Hussey, Audra Ong, 2023-10-25 If you want to understand the regulations and practices of financial accounting and reporting this is the book for you The authors of this book have developed a unique set of material on corporate financial reporting based on their collective years of teaching experience In this book they explain in non technical language the financial information that companies are required to provide What are companies Why are they formed Companies are not charities but are formed to provide a good income to their shareholders by selling us goods and services Large companies in the UK are mostly known as Public Limited Companies PLCs There are about 2 000 PLCs in the London Stock Exchange But do we understand these companies objectives and activities We can do so by examining the financial information they provide publicly in their annual financial reports To be able to examine the financial statements issued by companies you need to understand the regulations issued by the International Accounting Standards Board IASB This book explains the requirements of Financial Reporting Standards Guidance on the disclosure requirements and examples from companies financial reports are also provided and explained Many of these company names are synonymous with our everyday lives Think about Cadbury Chocolate Unilever Diageo Shell Boots It is difficult to conceive our lives without their products and services The explanation and guidance provided in this book will allow you to understand fully the operations of such companies This is vital knowledge if you intend to do business with the companies buy their products and services or find employment with them *Is Fair Value Fair?*

Henk Langendijk, Dirk Swagerman, Willem Verhoog, 2003-07-07 The failure of current mechanisms to either predict the collapse of various companies or curb corrupt practises has kept the subject of external reporting to the fore *Is Fair Value Fair* Financial Reporting in an International Perspective contains contributions from many highly respected individuals involved in external reporting regulation and standard setting Their contributions discuss the future of regulation application of standards supervision audit Current trends are discussed as are ways in which the current regulatory environment could be improved With the new IFRS regulations coming into force in 2005 financial reporting is set to face radical changes *Is Fair Value Fair* fully prepares readers for these changes and is an invaluable tool for corporate financiers and institutional investors with an interest in the regulatory environment [A Guide Through International Financial Reporting Standards](#)
