## **Female Reproductive System Diagram Overhead:**

*Teaching Today's Health* David Anspaugh, Gene Ezell, 2024-10-10 Teaching Today's Health Tenth Edition balances comprehensive theory with a wealth of effective classroom activities to give readers the tools they need to become successful health educators. This book's strong background and depth in teaching methods prepares the reader for the challenges of today's teaching environment. Meaningful content enhancements include expanded coverage of bullying and obesity, body systems and substance abuse, and a new Creativity in the Classroom feature and an Index of Strategies. Important currency updates include a significantly updated nutrition chapter with new MyPlate and 2010 Dietary Guidelines and more technology coverage. Helpful Companion Website includes all Worksheets available in PDF form for easy copying to hand out to students in class and a new easy-to-reference Glossary. Priced significantly less than other books in the market, this attractive two-color book provides a great value to readers.

**MARKET** Intended for those who want to gain a basic knowledge of Health Education Methods

**Fishers of Men** Adam Elenbaas, 2010-07-22 In the tradition of memoirs like Daniel Pinchbeck's 2012 and Jim Carroll's *The Basketball Diaries*, Adam Elenbaas's *Fishers of Men* chronicles his journey from intense self-destruction and crippling depression to self-acceptance, inner awareness, and spiritual understanding through participation in mind-expanding and healing ayahuasca ceremonies in South America and beyond. From his troubled and rebellious youth as a Methodist minister's son in Minnesota to his sex and substance abuse-fueled downward spiral in Chicago and New York, culminating in a depressive breakdown, Elenbaas is plagued by a feeling of emptiness and a desperate search for meaning for most of his young life. After hitting rock bottom at his grandfather's house in rural Michigan, a chance experience with psychedelic mushrooms convinces him that he must change his ways to achieve the sense of peace that he has always desired. Several subsequent psychedelic experiences inspire him to embark on a quest to South America and take part in a shamanic ceremony where he consumes ayahuasca, a jungle vine revered for its spiritual properties. Over the course of nearly forty ayahuasca ceremonies during four years, Elenbaas discovers the truth about his own life and past and begins to mend himself.

from the inside out Fishers of Men is the gripping heartbreaking and yet ultimately uplifting story of the power to transcend one's past
