Which parts of the British Empire were least heavily taxed?	Virginia, Connecticut, New York, Maryland, Pennsylvania, Massachusetts.
Stamp Act	Legislation that required colonists to purchase special stamps and place them on all legal documents. Newspapers and playing cards had to be printed on special stamped paper.
How did colonists react to the Stamp Act?	Protesting and printing pamphlets that defend colonial rights. The crowds attacked tax collectors, officials, and their homes.
Nonimportation movement	A boycott against the purchase of any imported British goods.
How did nonimportation transform women's political role in the colonies?	Women were active in the boycott saying that Americans should not import fabrics for clothing, but only use clothes that are homespun. Because of this, women's role in politics emerged.
Intolerable Acts	Legislation passed by Parliament to punish Bostonians or the Boston tea Party. It closed the Port of Boston; annulled the Massachusetts colonial charter and dissolved or severely restricted that colony's political institutions; and allowed British officials charged with capital crimes to be tried outside the colonies.
