Hiding in Plain Sight I. M. Enough, 2024-10-31 For author I M Enough self hatred began at a young age and he turned to food to escape He dodged the bottle until his early twenties but once he began drinking there was no stopping him He

sacrificed morals family and livelihood for the next drink He combined that with a tortuous relationship that lasted for a decade too long and became the laughingstock of his own life The asinine things he did made for captivating stories that lie within the walls of this book Hiding in Plain Sight shares his story while addressing several misunderstood issues about addiction Enough touches on alcoholic thinking a process describing how your brain changes with alcohol He describes in detail how he beat the ignition interlock device to still drive drunk and how close he was to becoming a serial killer All his tales lead to a profound enthralling and unexpected ending By sharing his personal history Enough hopes to help change your worldview and perhaps make you a little more empathetic to what others are going through He is proof that anything is possible and that a little hope can go a long way This personal narrative presents a man s journey as he overcame alcoholism obesity trauma and codependence *Sport Public Relations* G.
