

Hating Alison Ashley Response

This short book is based around friendship and drama between the two main characters, Alison and Erica. Throughout the book it shows their complications and how they become friends. Previous to our group reading the book, our class had watched the movie in the interests of comparing and contrasting in the future.

Erica Yurken is one of the main characters in this story. She attends Baringa East, although she hates the place. Erica has always been the best until the new student Alison Ashley arrives. Alison is everything that Erica wants and wishes to be. Alison is placed next to Erica who tries to make friends with her, but this mechanism does not work.

Erica finds her life and family very embarrassing and not normal. Erica tells lies about her life to make Alison jealous but it does not convince her.

The major part of the book is when their year six class are at camp. At camp they are put into groups and have the task to write out plays. Erica's dream is to be a movie star so Erica takes the advantage to write out both plays. Erica gives herself the main parts in both plays. Once it is time to practise the play she gets stage fright. This is her biggest fear. She struggles to get out of the play, so she doesn't have to act. During the whole way through camp Erica goes to huge extents to try and make Alison jealous and make her feel small.

The book was entertaining and very detailed. There were a lot of changes but I think it made it more thrilling. Our group enjoyed reading such a well written book. I think that on some chapters they should go for a bit longer to give more knowledge on what's happening.
