

The Candidate Profile is a biographical information form accepted by schools participating in the Gateway to Prep Schools. These schools are dedicated to simplifying the application process for admission candidates and their families. Visit gatewaytoprepschools.com to learn more about participating schools, their respective application processes, and the Gateway initiative.

Generally it is preferable that admission candidates submit their Candidate Profile on line at www.gatewaytoprepschools.com, but you may make copies of your paper forms and mail them, along with application fees, to each participating school. *If you have submitted a Candidate Profile to a school on line, DO NOT send a paper copy of the Candidate Profile to that school.*

Note: The Candidate Profile is only one section of a complete application.

Schools communicate frequently by e-mail. If you are submitting a paper application, please be sure to write your e-mail address legibly. You may receive important messages about your application through e-mail. Be sure to check your e-mail frequently and let schools know if you change your e-mail address.
