

English Language Arts: Content Knowledge 5038 Praxis Study Guide

Introduction: The English (7-12) endorsement can be added to any three to five-year educator's license by simply taking the Praxis. The topics below are based off of information provided by the ETS at the following link:

<https://www.ets.org/praxis/ed/specialized/ed5038>. They provide a list of topics along with a very helpful study plan; however, they do not go into detail about each topic covered on the test. That's what I hoped to achieve here. Let me go ahead and apologize for the length of this study guide. I usually favor short and sweet, but the problem with this Praxis is that it could have any of this information tested, or only one item from each topic, but we don't know until the test starts. If it seems overwhelming, perhaps choose a few items from each topic instead of, for instance, memorizing every author I have provided here.
