

Frequency of HAZWOPER Training

The level of training required depends on the worker's role and potential exposure to hazardous materials. Most workers must be given the 40 hour HAZWOPER training, but a shorter 24 hour HAZWOPER training program is also available for those workers only periodically exposed to hazardous materials or hazardous waste or those workers who have previous experience with hazardous materials.

[Click Here](#) to learn more about the difference between the HAZWOPER 40 and the 24 Hour training requirements as per OSHA requirements.
