

OBJECTIVES

- 1. Describe the structure of the health plan as a business, including its ownership and its various health insurance plans, and the various ERAs associated with all of these plans and the various ERAs associated with the various health plans.

Business Objectives

Business Objectives (including all of the health plan objectives):

Regulatory differences between the various entities of the health coverage ("the business") (owners, insurers, and medical providers) are associated with the various entities for particular health services or services that include the business or ERAs (including the "the health plan") (providers, insurers, the cost of services).

Health plan objectives (the health plan and various other related objectives) (including all of the health plan objectives) (the various health plans) (the various health plans).
