Parson **Lost Teens Lost Faith** Derek Bird, 2016-01-14 Commonly previous generations of Christian culture emphasize
issues that were pertinent to them and they teach key doctrinal concepts while neglecting that which is essential to the
healthy development of a Christian teen In his book Bird encourages a balanced approach while exploring faith issues most
relevant to teens as they approach the years when they're forced to grapple with enormous decisions More specifically he
uncovers an innovative way to think about God's purpose for an individual's life which has the potential to not only affect the
way teens approach life but may also challenge parents and leaders to re-prioritize their own schedules and then goes on to
uncover a biblically based model for understanding God's will which happens to be conveniently situated at the center of his
purpose for humanity At a time when it's more common for a teen to walk away from the faith than it is for them to remain
engaged **Lost Teens Lost Faith** provides relevant dialogue generated out of Bird's experience and his deep desire to see the
reversal of this tragic trend What he uncovers and passes along provides parents with the necessary foundation to lead their
children through some of life's greatest challenges Bird's scripturally inspired ideas give parents and teens a framework to
begin a conversation of eternal importance *Films and Other Materials for Projection* Library of Congress, 1973
