Super Courses Ken Bain,2021-03-09 An exploration of some of the most intriguing college teachers pedagogy challenging traditional learning environments

Grading Justice Kristen C. Blinne,2021-01-11 In Grading Justice Teacher Activist Approaches to Assessment new and seasoned teachers are invited to engage with socially just approaches of assessment including practices aimed at resisting and undoing grading and assessment altogether to create more democratic grading practices and policies foregrounding the transformative potential of communication within their courses The contributions in this collection encourage readers to consider not only how educators might assess social justice work in and beyond the classroom but also to imagine what a social justice approach to grading and assessment would mean for intervening into unjust modes of teaching and learning Educators wishing to explore critical modes of grading and assessment grounded in social justice will find this book a timely and relevant pedagogical guide for their teaching and scholarship

The Post-Pandemic Liberal Arts College Steve Volk,Beth Benedix,2020-12-08 A succinct and impassioned call to reimagine and revive the small liberal arts college by two veteran educators Private liberal arts colleges have struggled for decades now as the COVID 19 pandemic widens cracks latent in many American institutions they are facing a possibly mortal crisis In The Post Pandemic Liberal Arts College A Manifesto for Reinvention Steven Volk and Beth Benedix call for small colleges to seize this moment and reinvent themselves With the rise of rankings that set peer institutions against each other tuition that outpaces income creeping pre professionalism and a race to build student customers the splashiest new amenities many private liberal arts colleges have strayed from their founders missions If they could shed the mantle of exclusivity reduce costs facilitate true social mobility and collaborate with each other the authors argue they might both survive and again become just equitable accessible institutions able to offer the transformative and visionary education that is their hallmark Educators students parents and anyone invested in the future of higher education should read this book
