**The Gospel of Yes** Mike Glenn,2012-06-05 God would like a word with you What you believe about God affects the way you approach life often in ways you don t realize Are you convinced that God limits you or liberates you Is he more interested in correcting you or connecting with you And when you hit a rough spot and start looking for help do you believe God is against you or on your side In The Gospel of Yes Mike Glenn reveals God s most powerful word which opens our eyes to everything he does That word is YES God said yes to creating a world for us to live in and yes to inviting us into a relationship with him No matter what we face in life the best way to live is captured in one word yes When you live in God s yes you find your identity your true value and your unique purpose on earth You can stop trying to be someone else and enjoy being yourself as you join with God in doing the work of his kingdom When God looks at you he always says yes It s time to live like you know it Includes Discussion Questions for Personal and Group Use

**Revelation of Royalty** Bill Winston,2021-07-06 Where you go starts with your recognition of who you are in Christ This

book will inspire you to know who you are in Christ. It will motivate you to reach higher levels of success and satisfaction in life, family, and business. Our salvation in Christ ensures that every one of our needs or godly desires has been provided for by God. Yet many in the body of Christ are suffering and going without. Revelation is the key to developing the faith to receive the inheritance. Jesus died to provide for us. One man said, "You are not suffering because there is a great devil, but because of your great ignorance." Ignorance of our identity in Christ is one reason many Christians are not possessing their divine inheritance. As someone once said, "Your vast inheritance in Christ comes only in proportion to your new identity." Our identity will influence what we become; how rich or poor we will be; how high we will climb; even how long we will live. The more revelation a person has of his new identity in Christ, the more of God's vast promises he will be able to receive and manifest in his life and circumstances.

In *Revelation of Royalty*, you will discover, "You cannot rise any higher than your confession and revelation of royalty. You are a speaking spirit and have authority over the devil and all his works." *Azibuye emasisweni*

Zethu Cakata, Nompumelelo Z. Radebe, Mogobe B. Ramose, 2023-06-28. African knowledge is yet to fully contribute to spaces of learning because of the disciplinary boundaries founded on Western separatist logic. From an African epistemology, knowledge is interconnected because of the cosmological understanding that the universe is one entity. Bringing African knowledge into the academy requires a concerted effort to bring it of its own accord. There have been commendable efforts by scholars in South Africa to bring African knowledge to higher education in ways that do not alter or reshape this knowledge to suit the dominant Euro-American script. This book aims to showcase such efforts. This book makes interconnections of themes across disciplines. The content produced in this book will ensure that literature will anchor the noble efforts to build African universities that deliberately centre African ways of knowing. This book will be among the few publications that focus on Africanisation and decolonisation of knowledges as praxis. We anticipate that this book will be recommended in various disciplines of social sciences in South African universities. *S.D. Gordon's Quiet talks*
