*The Athenaeum*, 1856      *Chain Store Age*, 2004-07      *The Vision Quest* Sparrow Hart, 2018-06 This Vision Quest Guide's Training Manual is a rich compendium of teachings and tools for those who wish to become well versed in the art of leading contemporary vision quests. It offers a grand view of the archetypal structure, mythological underpinnings, and historical context of the vision quest process. It also provides a storehouse of teachings about ritual, what it is, and isn't: medicine wheel traditions, physical plane concerns, and descriptions of specific rituals and how to do them. And it covers important details related to logistics and the resources, requirements, and skills necessary for those who hope or plan to guide others. If you're curious or already an experienced guide, this training manual will provide you with new perspectives and possibilities within both a traditional vision quest and a vision quest designed to meet the rapidly changing world we live in today.      *Vision Information Center Users' Manual* Mary M.
