

## **A Parents Love**

**If you're not a parent then you don't know  
The aches and pains that do not show.  
When we see our child sick in bed  
And so many thoughts go through your head.  
When your child is in the hospital with 103  
And by their side is where you want to be.**

**Recalling the first time that they ride a bike  
And they fall and scrape their knee  
And it seems they cry endlessly.**

**When you play with their imaginary friends  
And it seems like it will never end.  
then they go to pre-k  
and for hours They have to stay.  
Then they go to kindergarten and they  
Meet children their same age  
And it becomes fun and games.**

**Soon they're out of elementary  
And go to junior high  
And then the aches and pains  
Really begin to fly.  
They already experienced their  
First kiss, and possibly a sexual  
Affair, and with you they will not share.  
Soon it's high school and college to follow  
And you don't see them for quite a while.  
Then you get a call that they're engaged  
And you know your life has changed.**

**Then comes a marriage and a family  
And a grandparent you will be.  
But as a parent our love will never  
Grow old, and this is something  
That you are now told.  
We are your parents and we will  
Always be, we'll love you now  
And thru eternity.**
