

# GOVERNMENT

## INTRODUCTION

The government is the organization that makes and enforces the laws of a country. It is responsible for the welfare of its citizens and the stability of the nation.

The government is made up of three branches: the executive, the legislative, and the judicial.

The executive branch is headed by the president and is responsible for carrying out the laws. The legislative branch is made up of Congress and is responsible for making the laws. The judicial branch is headed by the Supreme Court and is responsible for interpreting the laws.
