Hockey Drills Mal Alexander, 2017-09-28 *Hockey Drills* is a collection of activities and practices designed to enliven and improve coaching sessions at all levels of the game. The drills are organized into chapters according to a particular skill or phase of the game from the warm up and cool down through ball carrying and receiving, defending and attacking to goal scoring and goal keeping. A vital section on pre season fitness drills is also included. Each chapter starts with a basic analysis of the types of skill needed for that particular aspect of the game before progressing to a series of activities to develop them. Each exercise is supported by clear diagrams that show the moves of the individual players. Aimed at players and coaches at all levels of the game and fully illustrated with 74 colour photographs and 160 diagrams.

A Concise Guide to the Level 3 Award in Education and Training Lynn Machin, Duncan Hindmarch, Sandra Murray, Tina Richardson, Fiona Hall, 2025-04-14 This new edition is an essential resource for those studying for the Level 3 Award in Education and Training including the Learning and Development Units. Fully aligned with the latest ETF Standards it delivers up to date relevant content tailored to today's Further Education FE and Skills landscape with refreshed material that ensures readers are fully equipped to deliver learning within the sector. This fully updated second edition aims to bring together evidence informed pedagogical practices, progression pathways, the Ofsted Framework and key educational policies and legislation in one comprehensive resource. All chapters feature clear chapter objectives, helpful key takeaways and an expanded range of practical lesson plans. Chapter content also includes topics related to safeguarding, health and safety, mental health and well-being, inclusivity, race and gender and the use of AI platforms for teaching, learning and assessment. It is packed with engaging exercises and case studies for readers to apply their knowledge to practice and reflect on recent changes within the FE landscape. Examples include the types of courses that trainees could be involved in when teaching such as apprenticeships and shifts in thinking and language use relating to race, gender and self care.
