Montgomery, Charles Dwyer, 1910 **The Loving Stitch** Heather Nicholson, 2013-11-01 The Loving Stitch is an engaging history of a subject never before explored but familiar to many New Zealanders Heather Nicholson's knowledge of knitting and spinning is formidable but she also knows how to tell a good story and has a keen sense of humor The Loving Stitch presents a chronological account of antipodean knitting which is also a history of the domestic lives of women of their resourcefulness their talent and sociability She follows the growth of pattern books the role of knitting for troops in the two world wars knitting in the Depression and the recent interest in art knitting She also explores the different items produced by the skilled knitter from jerseys and guernseys to counterpanes socks and stockings and a scarf that stretched right round Parliament Buildings The book also includes material on spinning and on local wool mills as well as general good advice drawn from the personal experience of hundreds of knitters and spinners The Loving Stitch is impeccably researched it is full of characters memories and advice and it is superbly illustrated *Official Gazette of the United States Patent and Trademark Office*, 2000 *Canadian textile journal*, 1930 *Davison's Knit Goods Trade*, 1928 *American Sportswear & Knitting Times*, 1999 **Index to Handicraft Books, 1974-1984** Carnegie Library of Pittsburgh. Science and Technology Department, 1986 Handicrafts and do it yourself projects have always been a library's most popular and heavily requested subject And for more than a decade a definitive index to handicraft books has not been published To fill this gap the Science and Technology Department at Carnegie Library of Pittsburgh has compiled the Index to Handicraft Books listing more than 900 books and over 12 400 subject entries covering books published from 1974 to 1984 The Index to Handicraft Books is an essential reference tool for librarians who want to help someone find instructions for a varied range of do it yourself projects providing quick access to craft projects in books more recent than previous handicraft index books have listed Each entry in the index consists of a subject heading the name of the project as listed in the book the author and title of the book and the page numbers on which the project can be found The author and title correspond to those in the List of Works Cited section which gives full bibliographic information in order to help librarians find the book on their shelves or obtain the book through inter library loan Because this index developed from a card file index of craft books acquired by Carnegie Library since 1974 the list concentrates mainly on medium priced books
