

GOODBYE

Dear, Emily

As our school year ends, I want to tell you how proud I am of you. We had so much fun learning and growing together!

You've worked hard and made our classroom a happy place. I loved seeing your smiles and excitement every day.

Now it's time for summer fun! Play, laugh, and enjoy every moment. Remember, you are amazing and can do anything you set your mind to.

Thank you for a wonderful year. I will miss you and always remember our special times together. Have a great summer!

With love, Mrs Wilson

Goodbye Note From Teacher:

Teacher Accused Stephen Wzorek,2012-11-08 This story I am writing is true about a teacher and a family who have been tormented by corrupt lawmakers an irresponsible educational administration and ill trained police detectives in the investigation of abuse involving autistic children Many of the names of the people towns and organizations in this writing have been changed for obvious reasons This story is about my family This entire episode has taken a toll on my family and me for many years I am not quite sure if it is revenge that I desire or just the idea that I want everyone to know the truth It is my expectation that there just has to be someone who would take a good look at those individuals in the educational administration and law enforcement fields who are abusing their authority in pretending to carry out their obligations I cant believe our forefathers meant for the lawyers judges and others in the legal authority to utilize the legal system in the way I will demonstrate to you in this writing I find it amazing that the legal entities in our area seldom seem to have a real balance for truth It doesnt matter what the actual facts are in a legal case What matters is who has the power to persuade the activities in their favor toward the end result Regrettably too many times it is the innocent who suffer *English Unlimited Starter A and B Teacher's Pack (Teacher's Book with DVD-ROM)* Adrian Doff,Joanna Stirling,2013-07-18 English Unlimited is a six level A1 to C1 goals based course for adults Centred on purposeful real life objectives it prepares learners to use English independently for global communication As well as clear teaching notes the updated Starter A and B Teacher s Pack Teacher s Book with DVD ROM offers lots of extra ideas and activities to suit different classroom situations and teaching styles The DVD ROM provides a range of extra printable activities a comprehensive testing and assessment program extra literacy and handwriting activities for non Roman alphabet users and clear mapping of the syllabus against the CEFR can do statements It also includes the videos from the Self study Pack DVD ROM for classroom use **CliffsNotes The Notebook Teacher's Guide** Richard P.
