

QUESTION 4

Answered

- 1. What might the company do to increase sales for the brand? - The company could focus on using traditional sales channels, increase the size and frequency of trade shows, increase efforts to gain off production, use targeted advertising to focus on getting in the business, the results of their marketing efforts could vary because some trade shows are going well, others are not, and others are not. Another way to increase sales is to focus on the online market. An online sales agent could provide a more profitable sales channel, but it would require a significant investment in technology and infrastructure.
