INCIDENT ACTION PLAN

Regulation 806 C.M.R. 7.11(5)(f)

(Behavioral Incidents, Accidents, Property Destruction, Emergencies)

It is important for administrators and educators to identify the reasons why a child may be exhibiting certain types of behavior through the process of evaluating the program's environment, transitional patterns, triggering behavioral patterns, and the quality interactions between child and educators. This preventative tool begins the process of working with a child and their parents to identify concerns and offer solutions to assist the child in integrating successfully into the program and when appropriate, offering referrals. EEC recommends that program administrators and educators meet with parents as soon as an issue is identified to build a partnership of trust and to avoid suspension and termination.

Child's Name: _____

Date of Incident: _____ Time of Incident: _____

Description of Incident (be specific): _____

Is this the first time this incident occurred, if not when was the last time it occurred? _____

Is this child receiving any additional services? _____

Was there something different about the child's day that led to the incident occurring? _____

What actions could the program take to prevent this incident from occurring? _____

What actions did the educator take immediately preceding the incident? _____
