

A red Toyota RAV4 is shown from a front-quarter perspective, driving on a multi-lane highway. The car is positioned in the center of the frame, moving towards the right. Above the road, a concrete bridge structure with several support pillars spans across the scene. The background shows a hazy cityscape under a clear sky. The overall lighting is bright, suggesting daytime. The car's headlights and front grille are clearly visible. The bridge's underside and support pillars create a sense of depth and perspective.
