When a person is suffering from an addiction to drugs, alcohol, or other substance, it does not only affect them personally. Anyone close to the person with an addiction is going to be affected; therefore, there needs to be a treatment program that is going to take their needs into consideration as well. At Addiction Rehab Toronto, there are treatment programs for the entire family. This ensures a more complete recovery for the individual afflicted as well as their loved ones.

Some of the benefits of the family addiction programs at Addiction Rehab Toronto include:

- It lessens the probability for a relapse. When the addict's personal relationships are repaired as part of the rehabilitation process, the person's support system is strengthened. Lines of communication are opened, which makes it much simpler for the person to reach out to someone later on.
- Helps to find the root cause of their addiction. Many times, it is discovered that a person's addiction is the result of some relationship in a person's life that is not quite right. Allowing the family to participate in the addict's therapy ensures a lesser chance of relapse. They are able to deal with some of the patterns, behaviours, and dynamics that led to the addiction in the first place.
- Permits loved ones the opportunity to talk. An addiction often stirs up negative feelings and emotions in loved ones. Allowing everyone the opportunity to voice their feelings and emotions regarding the addiction provides a chance for healing and recovery for the entire family.
- Group exercises and therapy. A lot of the therapy sessions allows families the ability to rebuild their trust and start to focus on discussing ways to provide the addict with the necessary tools for recovery and beyond.
- Education. Often the main problem with an addiction is that the family members are not complete aware of what causes an addiction or what physical and psychological components are involved. Addiction Rehab Toronto provides the education all family members require to understand all underlying issues regarding their loved one's addiction. Loved ones learn that it is a disease that needs comprehensive treatment.

At Addiction Rehab Toronto, the counsellors are aware of the importance of the family and loved ones of an addicted person. Therefore, they provide a comprehensive treatment plan which involves the family in therapy sessions as well; the staffs recognizes that the family needs to be treated as a complete unit and be a part of the person's recovery process.
