

Presenting a Coherent, Comprehensive Report on Differing Viewpoints on an Issue

A **viewpoint or point of view** is an important thinking skill. It is how one looks at something. Each person has a unique way of sharing ones viewpoint. You should have to learn the role of viewpoint and understand that each person has different viewpoint in every issue. You should have the skills of expressing your point of view in a good manner. Your viewpoint is stronger when there is evidence to support it. You must also be willing to listen to and learn from the viewpoints of others.
