CHAPTER 6 **Strategy and Strategic Management** *Insights and hard work deliver results*

Chapter 6 Overview

Each Chapter contains several inset features designed to assist the student reader in applying the concepts to relevant examples. *Management Live* illustrates how experiences and activities relate to work performance. *Hot Topic* explores samples of debated topics in business and strategy. *Facts to Consider* introduces research or trends that may be used for class discussion in the classroom or online for distance learning. *Quick Case* presents a business related scenario for class analysis and discussion.

Chapter Six provides a definition of strategy and a review of strategic management and insights. The chapter explores various levels of strategies, including those for growth, in use at most organizations. Considerable attention is then devoted to both corporate-level and business-level strategy formulation. Divestiture and restructuring strategies, used primarily when an organization runs into difficulties, are reviewed. A brief discussion of firms pursuing global strategies, cooperative and partnership strategies, and e-business strategies follows.

This chapter focuses on strategic management and the role that strategy plays in achieving competitive advantage and maximum organizational performance. The chapter begins by defining the key terms and concepts in strategic management and describing the strategic
