**WORKING FOR GOD!** Edward D. Andrews, Andrew Murray, 2020-01-26 THE objective of WORKING FOR GOD is first of all to remind all Christian workers of the greatness and the glory of the work in which God gives a share It is nothing less than that work of bringing men back to their God at which God finds His highest glory and blessedness As we see that it is God s own work we have to work out that He works it through us that in our doing it His glory rests on us and we glorify Him we shall count it our joy to give ourselves to live only and wholly for it WORKING FOR GOD at the same time aims to help those who are laboring in vain to find out what may be the cause of such struggles God s work must be done in God s way and in God s power It is spiritual work to be done by spiritual men and women in the power of the Holy Spirit The more precise our insight into God s Word and the more complete our submission to God s laws of work the surer and the richer will be our joy and our reward in it Along with this WORKING FOR GOD can be a great help for those who have struggled in finding their part in the service of their Lord Murray and Andrews seek to help ones understand that the chief characteristic of the Divine life in God and Christ is love and its work of blessing men The Divine life in us can show itself in no other way They have sought to show that it is God s will that every believer without exception whatever be his position in life gives himself wholly to live and work for God WORKING FOR GOD will also focus on teaching the imperative duty the urgent need the Divine blessedness of a life given to God s service and to waken within the consciousness of the power that works in them even the Spirit and power of Christ Himself

Craver, 2017-02-01 The journalist and critic Siegfried Kracauer is best remembered today for his investigations of film and other popular media and for his seminal influence on Frankfurt School thinkers like Theodor Adorno Less well known is his earlier work which offered a seismographic reading of cultural fault lines in Weimar era Germany with an eye to

the confrontation between religious revival and secular modernity In this discerning study historian Harry T Craver reconstructs and richly contextualizes Kracaueer s early output showing how he embodied the contradictions of modernity and identified the quasi theological impulses underlying the cultural ferment of the 1920s
