## THE PRODUCER <sup>1</sup>

**O**n little movie that couldn't find a distributor but became a cult in the mid-90s, magically growing in the years since YouTube uploaded the screenplay and those photo-stills to various online message boards and those brief scenes to YouTube in 2004. Now that I live in Los Angeles (temporarily, please, I'm not a real resident!) I can't tell you how many people will tell me they know someone or are friends of a friend of a friend who was on set. Our set.

Like now I'm having coffee with one of the producers of the Home Movie remake. Or is it a contest? I'm not sure of the correct term for what it is they will be doing. Is it a remake of the original film, that movie that thirty years ago, was never screened? "Behave" is probably the proper term but not with how it's applied around Hollywood.
