

Complete the activity, filling in the worksheet. You **MUST** complete the online assessment when you are done to earn any credit.

<http://www.explorellearning.com>

Name: _____ Period: _____

Student Exploration: Inheritance

Due Wednesday 11/5/14

Vocabulary: Please define all terms in your own words on a separate piece of paper:

- acquired trait, asexual reproduction, clone, codominant traits, dominant trait, offspring, recessive trait, sexual reproduction, trait

Prior Knowledge Questions (Do these **BEFORE** using the Gizmo.)

1. How are you similar to your parents? _____

How are you different? _____

2. A **trait** is a characteristic. Think about your physical traits (eye color, skin tone, height, hair, face, allergies, etc.) What traits do you think you inherited, or received, from your parents?

Gizmo Warm-up

In the *Inheritance Gizmo*™ you can create and breed aliens on an imaginary planet. Select **Asexual reproduction**. During **asexual reproduction**, a single parent produces **offspring** (children).

1. Click **Create alien** and create your own alien. Describe its traits in the **Parent** row of the table:

Alien	Body type	Skin Color	Antenna shape	Tattoo
Parent				
Offspring				

2. Drag the parent over to the **Parent 1** space and press **Reproduce**. Fill in the **Offspring** traits on the table above. What traits appear to be inherited from the parent?

Because this offspring inherits its traits from one parent, it is called a **clone**.

If you cannot access all of the Gizmo site, you **MUST** send them a request for help and get your computer configured so it will work. If they are unable to help you, then you **MUST** use a computer in the library or somewhere else to complete your assignment by the due date!

Explorelearning Gizmo Answer Key Inheritance
