Newspaper Assignment

Maple Valley – The local English class has been given the exciting task of creating the front page of their very own newspaper.

Students will be the editors of their own newspapers and will be responsible for developing a theme for their newspaper. For example, the students could choose to do a newspaper on snowboarding, music, travel, an animal, or another topic of interest.

Each student will be creating just the front page of their

paper. They must include a picture to go with their main story. Their image may be hand-drawn, from the internet, or a magazine. They must not forget to include a caption.

Besides a main story, (with a picture and headline) students must also include some other features in their newspapers. For example, ads, sports, weather, movie review, or an idea of their choice.

Students will also ensure that their article covers the 5W's

and tells the full story.

They will be able to write, spell-check and edit their work so that there are no errors.

Henry Porter won a Gold Medal in the 2014 World Ski Championships held in Switzerland over the weekend. Read more on page 10.

Creativity Counts!!

Students must keep in mind that a newspaper should be interesting to read. Nobody wants to read a boring article. Try to think of a catchy headline!

Stories can be funny, silly, true, or entirely made-up. However, they must answer the five W's – Who, What, Where, When, Why?
