SOCIAL STUDIES

What you need to know about the GED® Social Studies Test

- 1** You should be familiar with basic social studies concepts, but you're not expected to have in-depth knowledge of each topic.
Remember, the social studies test is not a memorization test! You don't need to know the capitals of countries or the timeframes that certain wars occurred.
- 2** You'll need to understand social studies concepts, use logic and reasoning, and draw conclusions (which is using your critical thinking skills in social studies).
This study guide and the example questions in it will help you get an idea of what's going to be on the test.
- 3** You **don't** need to know everything in this guide!
If you want to see how close you are to passing, the GED Ready® official practice test is a great way to help you determine if you're ready.

Le Canada Donald J. Savoie, 2023-05-15 La structure politique du Canada va l'encontre de la géographie économique de l'Amérique du Nord et de l'attraction économique entre le nord et le sud. Le Canada a importé des institutions politico-administratives conçues pour un état unitaire et depuis la fondation du pays, ses leaders politiques se sont débattus pour qu'elles fonctionnent. Pour cette raison, plusieurs Canadiens ne s'entendent pas sur

communautés et leurs régions se perçoivent comme des victimes et ce un degré plus élevé que chez d'autres groupes dans des démocraties occidentales. Notre gouvernement fédéral a démontré un plus grand empressement à s'excuser pour des injustices que les autres pays occidentaux. Le Canada est également plus performant que d'autres nations dans l'aide qu'il apporte aux victimes pour qu'elles fassent la transition les menant à participer pleinement à la vie politique et économique du pays. Donald Savoie soutient que le Canada continue de prospérer malgré les nombreux défauts de ses institutions politiques nationales et le sentiment que les Canadiens ne se voient pas comme des victimes et que notre histoire et ces défauts nous ont appris l'art du compromis. La constitution du Canada et ses institutions politiques amplifient plus qu'elles n'atténuent la victimisation, cependant elles ont également permis aux Canadiens de mieux gérer cet enjeu que dans d'autres pays. Les Canadiens ne reconnaissent aussi que l'alternative au Canada est pire et cela plus que tout autre chose continue de renforcer l'unité nationale. Puisant dans sa longue expérience dans le monde universitaire et en tant que conseiller auprès de gouvernements, Savoie propose de nouvelles manières de voir comment le Canada travaille pour sa population.
