The End of Employer-Provided Health Insurance Paul Zane Pilzer,Rick Lindquist,2014-11-17 How to save 20 to 60 percent on health insurance The End of Employer Provided Health Insurance is a comprehensive guide to utilizing new individual health plans to save 20 to 60 percent on health insurance This book is written to ensure that you your family and your company get your fair share of the trillions of dollars the U S government will spend subsidizing individual health insurance plans between now and 2025 You will learn how to navigate the Affordable Care Act to save money without sacrificing coverage and how to choose the plan that offers exactly what you your family and your company need Over the next 10 years 100 million Americans will move from employer provided to individually purchased health insurance The purpose of The End of Employer Provided Health Insurance is to show you how to profit from this paradigm shift while helping you your family and your employees get better and safer health insurance at lower cost It will help you save thousands of dollars per person each year and protect you from the greatest threat to your

financial future our nation's broken employer provided health insurance system We are at the beginning of a paradigm shift in the way businesses offer employee health benefits and the way Americans get health insurance a shift from an employer driven defined benefit model to an individual driven defined contribution model This parallels a similar shift in employer provided retirement benefits that took place two to three decades ago from defined benefit to defined contribution retirement plans Written by a world renowned economist and New York Times best selling author this insightful guide explains how individual health insurance offers more to employees than employer provided plans Using the techniques outlined in this book you and your employer will save money on health insurance by migrating from employer provided health insurance coverage to employer funded individual plans at a total cost that is 20 percent to 60 percent lower for the same coverage That's 4 000 to 12 000 in savings per year for a family of four for the same hospitals same doctors and same prescriptions

The New Health Insurance Solution Paul Zane Pilzer, 2010-12-14 You no longer need a traditional employer plan to get good affordable health insurance The New Health Insurance Solution can help you cut your health insurance costs in half if You're self employed an independent contractor or your employer doesn't provide health insurance you can probably get coverage on your own for about 94 month a fraction of what an employer would have to pay for the same coverage You are employed and pay extra to cover your spouse or children under your employer sponsored plan you may save 50% by taking them off your employer plan You own a small business and are getting killed by double digit premium increases you can now give employees tax free money to buy their own plans and get your company out of the health insurance business The book also explains in detail the best solutions for you if You can't find affordable health insurance because you or a child have an expensive preexisting medical problem your state has a program to provide you with guaranteed coverage You're currently putting money into an IRA or a 401 k because you don't realize that an HSA is always a better option You're unsure how you or your parents will be able to afford health insurance during retirement or how to maximize benefits from Medicare including the new Part D prescription drug plan The New Health Insurance Solution is the definitive guide to the new ways every American can now get affordable health care without an employer PAUL ZANE PILZER is a world renowned economist a former advisor in two White House administrations an entrepreneur employer an award winning adjunct professor at NYU and a New York Times bestselling author

Understanding Health Insurance Michelle a Green, Rowell, 2003-07 Understanding Health Insurance A Guide to Professional Billing 7th edition utilizes a step by step approach to provide instruction about the completion of health insurance claims The objectives of this edition are to 1 introduce information about major third party payers 2 provide up to date information about federal health care regulations 3 clarify coding guidelines and provide application exercises for each coding system 4 introduce reimbursement issues 5 emphasize the importance of coding for medical necessity and 6 help users develop the skill to complete claims accurately Case studies and review exercises provide users with numerous opportunities to apply knowledge and develop skills in

completing CMS 1500 claims accurately The textbook CD ROM and accompanying workbook provide additional exercises and practice in completing CMS 1500 claims electronically Current information is provided on CPT 5 and ICD 10 CM coding systems The appendices include information about processing the UB 92 CMS 1450 and dental claims
