Discipology Peyton Jones,2026-03-17 The modern church is facing a discipleship crisis Research shows that only one third of Christians in America are actively engaged in making disciples leaving a massive gap in the mission Jesus gave us Without a clear strategy many churches struggle to move believers from passive attendance to active participation in the work of the Gospel In Discipology Jones challenges pastors church leaders and ministry teams to return to the original model of discipleship that Jesus demonstrated Rather than relying on programs or events Jesus focused on three essential elements that formed the foundation of lasting disciple making Time Teaching and Tactics Through intentional time spent with a small group of followers consistent teaching rooted in Scripture and practical tactics for engaging in mission Jesus set a clear and reproducible pattern for spiritual multiplication Discipology unpacks each of these elements in detail offering leaders a practical biblical framework that takes the mystery out of discipleship and provides a clear path for mobilizing their people This book is written specifically for pastors church leaders and ministry workers who long to see real spiritual growth in their communities It s designed to help you build a disciple making culture that empowers ordinary believers to live out their faith in everyday life Alongside the book an accompanying journal is available for your congregation volunteers small groups and ministry teams equipping them to walk through the principles of Discipology in a hands on personal way The mission of the Church has always been disciple making It s time to return to the way of Jesus and to lead the next generation into it

preferences our comforts and even our religion Revealing a biblical picture of what it means to truly be a Christian Follow Me explores the gravity of what we must forsake in this world as well as the indescribable joy and deep satisfaction to be found when we live in obedience to Christ Pastor David Platt challenges you to Exchange comfortable religion for the New Testament s vision of true discipleship Reignite your affection for God and passion for evangelism Embrace a faith that transforms your entire life when you submit to Christ s authority rather than just make him your personal Lord and Savior The call to follow Jesus is not simply an invitation to pray a prayer it s a summons to lose your life and to find new life in him This book will show you what such a gospel centered life actually looks like **The Motor Boat** Francis P.
