

My Father – The Person Who Inspires Me

Everyone has had accomplishments in their life, and behind those accomplishments is someone who has had an impact on their life. My dad is my greatest influence for several reasons. He has always supported me, and the decisions I make. He has also showed me that success comes from hard work, he inspires me and taught me to always believe in myself.

Whenever I am faced with a problem and must make a decision, I know that my dad will be behind me one-hundred percent no matter what I chose to do. It is a great feeling to know that someone is always going to support me in anything I choose to do. It takes away much of the stress that comes with making decisions. For example, right now I am at the point in my life where I have to decide whether I am going to attend a community college, a university, or whether I want to attend school at all. I did not want to disappoint him or my mom, and knowing that I would not, makes the decision a lot easier. He is very optimistic, he always seems to find the positive in every situation. If I ever doubt a choice I made, I talk to him about it and he always makes sure to point out all the good things that can come from it. Success comes from hard work, energy, dedication, and a support system. My dad is one of my biggest support systems and role models. My dad inspires me to work hard because he has had to his whole life. He was the only one in his family to decide not to attend college. My grandparents did not support this decision and often gave him a hard time for it. At 19 he was working two jobs and struggling to make ends meet. Somewhere between that
